ISFD Project meeting

Date: 24th January 2012. 11 a.m.

Participants: according to the participant list

The partners of the “*Establishment of the Institute of Studies in Federalism and Decentralisation in Hungary*” project organised a project meeting in Pécs. The topics of this meeting were the following:

1) Results of the first and second periods:

- studies (editorial version) – Ilona Pálné Kovács and Zoltán Hajdú
- István Finta’s questions – practice of development policy and rural development in Switzerland
- Elements of the project website (Sándor Zsolt Kovács): logo-plan, list of documents in the webpage

2) What Hungarian researchers need:

- Swiss spatial planning – documents, mechanism, etc. – Zoltan Bécsi will help Hungarian researchers
- Fédéralizme Suisse – relevant book

3) Study trip

- date, programs
- University of Fribourg
- Practical questions (ticket prices, public transport, airport transfer, etc.).
- Question-list of Hungarian partners

Pécs, 25. January 2012.
